Discussion

1. Golf outing staffing: Commissioner Johnson requested there is enough staff to cover all areas during golf outings. Mr. Monroe stated more staff will be starting soon and he will make sure all areas are covered.

Commissioner Neal enters the room at 11:33 am.

2. District 187 request to waive fees for September outing (recommendation to Board): Mr. Monroe recommends charging District 187 \$35 per golfer for the outing. Ms. Cowart agreed and wanted to remind the Commissioners the park district utilizes District 187 football field in the fall. Commissioner Johnson can agree with the \$35 per golfer and District 187 utilizes Foss Park for cross country meets and Flames football is a feeder program to NCCHS, so they should be partners with the park District. Commissioner Neal stated that the park district has been maintaining District 187's field adjacent to the Community Center, at no charge, for years. He also stated this outing is taking place on a Saturday, during prime tee times to which the park district cannot book out the tee times and they are getting use of the pavilion that day as well. Mr. Monroe stated he has had to turn four other bookings for that date. Commissioner Robinson stated the scholarship does not require the students remain within Foss Park District boundaries to attend CLC. The collective recommendation will be to charge \$35.00 per golfer for District 187 outing, which is already a reduced rate for Saturday fees.

3. Pavilion kitchen: Commissioner Johnson stated the pavilion needs some work – cabinets repaired, kitchen thoroughly cleaned and decluttered. Mr. Monroe stated he would have staff start working on those issues immediately.

Commissioner Neal leaves the room at 12:11 pm.
