Contract shall maintain commercial general liability (CGL) and, if necessary, commercial umbrella insurance with a limit of not less than \$1,000,000 each occurrence. If such CGL insurance contains a general aggregate limit, it shall apply separately to this project/location.

CGL insurance shall be written on Insurance Services Office (ISO) occurrence form CG 00 01 10 93, or a substitute form providing equivalent coverage, and shall cover liability arising from premises, operations, independent contractors, products-completed operations, personal injury and advertising injury, and liability assumed under an insured contract (including the tort liability of another assumed in a business contract).

Foss Park District shall be included as an insured under the CGL, using ISO additional insured endorsement CG 20 10 or a substitute providing equivalent coverage, and under the commercial umbrella, if any. This insurance shall apply as primary insurance with respect to any other insurance or self-insurance afforded to Owner.

B. Business Auto and Umbrella Liability Insurance

Contractor shall maintain business auto liability and, if necessary, commercial umbrella liability insurance with a limit of not less than \$1,000,000 each accident. Such insurance shall cover liability arising out of any auto including owned, hired and non-owned autos.

C. Workers Compensation Insurance

Contractor shall maintain workers compensation as required by state and employers liability insurance. The commercial umbrella and/or employers liability limits shall not be less than \$1,000,000 each accident for bodily injury by accident or \$1,000,000 each employee for bodily injury by disease.

If Foss Park District has not been included as an insured under the CGL using ISO additional insured endorsement CG 20 10 under the Commercial General and Umbrella Liability Insurance required in this Contract, the Contractor waives all rights against Owner and its officers, officials, employees, volunteers and agents for recovery of damages arising out of or incident to the Contractor's work.

D. General Insurance Provisions

1. Evidence of Insurance

Prior to beginning work, Contractor shall furnish Foss Park District with a certificate(s) of insurance and applicable policy endorsement(s), naming Foss Park District as an additional

insured and executed by a duly authorized representative of each insurer, showing compliance with the insurance requirements set forth above.

All certificates shall provide for 30 days written notice to Foss Park District prior to the cancellation or material change of any insurance referred to therein. Written notice to Foss Park District shall be by certified mail, return receipt requested.

Failure of Foss Park District to demand such certificate, endorsement or other evidence of full compliance with these insurance requirements or failure of Foss Park District to identify a deficiency from evidence that is provided shall not be construed as a waiver of Contractor's obligation to maintain such insurance.

Foss Park District shall have the right, but not the obligation, of prohibiting Contractor or any subcontractor from entering the project site until such certificates or other evidence that insurance has been placed in complete compliance with these requirements is received and approved by Foss Park District.

Failure to maintain the required insurance may result in termination of this Contract at Foss Park District's option. With respect to insurance maintained after final payment in compliance with a requirement above, an additional certificate(s) evidencing such coverage shall be promptly provided to Foss Park District whenever requested.

Contractor shall provide certified copies of all insurance policies required above within ten (10) days of Foss Park District's written request for said copies.

2. Acceptability of Insurers

For insurance companies which obtain a rating from A.M. Best, that rating should be no less than A VII using the most recent edition of the A.M. Best's Key Rating Guide. If the Best's rating is less than A VII or a Best's rating is not obtained, Foss Park District has the right to reject insurance written by an insurer it deems unacceptable.

3. Cross-Liability Coverage

If Contractor's liability policies do not contain the standard ISO separation of insured's provision, or a substantially similar clause, they shall be endorsed to provide cross-liability coverage.

4. Deductibles and Self-Insured Retentions

Any deductibles or self-insured retentions must be declared to the Owner. At the option of Foss Park District, the Contractor may be asked to eliminate such deductibles or self-insured retentions as respects Foss Park District, its officers, officials, employees, volunteers and agents or required to procure a bond guaranteeing payment of losses and other related costs including but not limited to investigations, claim administration and defense expenses.

To the fullest extent permitted by law, the Contractor shall indemnify the Foss Park District, its officers, commissioners, officials, employees, volunteers and agents from and against all claims, damages, losses and expenses including but not limited to legal fees (attorney's and paralegals' fees and court costs), arising out of or resulting from the performance of the Contractor's work, provided that any such claim, damage, loss or expense (i) is attributable to bodily injury, sickness, disease or death, or injury to or

destruction of a tangible property, other than the work itself, including the loss of use resulting there from and (ii) is caused in whole or in part by any wrongful or negligent act or omission of the Contractor, any Subcontractor, anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable, except to the extent caused in part by a party indemnified hereunder. Such obligation shall not be construed to negate, abridge, or otherwise reduce any other right or obligation of indemnity which would otherwise exist as to any party or person described in this Paragraph. Contractor shall similarly indemnify the Foss Park District, its officers, officials, employees, volunteers and agents against and from any and all claims, costs, causes, actions and expenses including but not limited to legal fees incurred by reason of Contractor's breach of any of its obligations under, or Contractor's default of, any provision of the Contract.

The indemnification obligations under this paragraph shall not be limited in any way by any limitation on the amount or type of damages, compensation, or benefits payable by or for the Contractor or any subcontractor under Workers' Compensation or Disability Benefit Acts or Employee Benefit Acts.

Pollution Control:

The Contractor shall be responsible for maintaining adequate dust, noise or other control levels as required by governing pollution control agencies.

Inspection of Materials/Equipment:

The Park District shall have a right to inspect any materials or equipment to be used in carrying out this contract. The Contractor shall be responsible for the contracted quality and standards of all materials, equipment; components or completed work finished under this contract up to the time of final acceptance by the Park District. Materials, equipment, components or completed work not complying therewith may be rejected by the Park District and shall be replaced by the Contractor at no cost to the Park District.

Any materials, equipment or components so rejected shall be removed within a reasonable time from the premises of the Park District at the entire expense of the Contractor.

CONTRACT

INDEPENDENT CONTRACTOR AGREEMENT

THIS AGREEMENT entered into by and between _____ (hereafter the “Contractor”) and Foss Park District (hereafter “Park District”).

WHEREAS, Contractor will be performing services and work for the Park District from time to time as ordered and directed by the Park District; and

WHEREAS, the Bid Specifications and the Contractor’s response thereto (“Contract Documents”) which are attached hereto, as executed and/or amended by the Parties, contain the terms of the engagement of the Contractor by the Park District and are hereby incorporated into this Agreement.

NOW, THEREFORE, in consideration of the mutual covenants and agreements herein contained, and other good and valuable consideration received and to be received, the Contractor hereby agrees:

1. To comply with all applicable laws, regulations, and rules promulgated by any Federal, State, County, Municipal and or other governmental unit or regulatory body now in effect during the performance of the work. By way of example, the following are included within the scope of the laws, regulations and rules referred to in this paragraph, but in no way to operate as a limitation on the laws, regulations and rules with which Contractor must comply, are all forms of Workers Compensation Laws, all terms of the Equal Employment Opportunity Clause of the Illinois Fair Employment Practices Commission, the Illinois Preference Act, the Social Security Act, Statutes relating to contracts let by units of government, the Substance Abuse Prevention on Public Works Projects Act, all applicable Civil Rights and Anti-Discrimination Laws and Regulations, and traffic and public utility regulations.
2. To the fullest extent permitted by law, the Contractor shall waive any right of contribution against the Park District and shall indemnify the Park District and its officers, officials, employees, engineers, consultants, volunteers and agents from and against all claims, damages, losses and expenses, including, but not limited to, legal fees (attorney’s and paralegal’s fees, expert fees and court costs) arising out of or resulting from the performance of the Contractor’s work, provided that any such claim, damage, loss or expense is attributable to bodily injury, sickness, disease or death, or injury to or destruction of property, other than the work itself, including the loss of use resulting therefrom, or is attributable to misuse or improper use of trademark or copyright protected material or otherwise protected intellectual property, to the extent it is caused in whole or in part by any wrongful or negligent act or omission of the Contractor, any subcontractor, anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable. Such obligation shall not be construed to negate, abridge or otherwise reduce any other right to indemnity which the Park District would otherwise have. The Contractor shall similarly indemnify the Park District, its officers, officials, employees, engineers, consultants, volunteers and agents against and from any and all claims, costs, causes, actions and expenses, including, but not limited to, legal fees, incurred by reason of Contractor’s breach of any of its obligations under, or Contractor’s default of any provisions of the Contract. The indemnification obligations under this paragraph shall not be limited in any way by any limitation on the amount or type of damages, compensation, or benefits payable by or for the Contractor or any subcontractor under Workers’ Compensation or Disability Benefit Acts or Employee Benefit Acts.

3. To keep in force, to the satisfaction of the Park District, at all times during the performance of any work referred to above, Workers Compensation and Employer's Liability Insurance, Commercial General Liability Insurance, and Automobile Insurance as provided in the RFP Specifications.
4. All policies of insurance purchased or maintained in fulfillment hereof shall contain policy endorsements evidencing or verifying the insurance coverage required herein and the Contractor shall provide the policy or Certificates of Insurance evidencing the coverages and the addition of the Park District as an insured. No such policy of insurance shall have a deductible or self-insurance retention amount in excess of \$10,000.00 per occurrence. All insurance shall be written on an "occurrence" basis rather than a "claims-made" basis. Failure of Park District to demand any certificate, endorsement or other evidence of full compliance with these insurance requirements or failure of Park District to identify a deficiency from evidence that is provided shall not be construed as a waiver of Contractor's obligation to maintain such insurance. The Contractor agrees that the obligation to provide the insurance required by these documents is solely its responsibility and that this is a requirement which cannot be waived by any conduct, action, inaction or omission by the Park District. Upon request, the Contract will provide copies of any or all policies of insurance maintained in fulfillment hereof.
5. Nothing contained in the insurance requirements of the Contract Documents or this Agreement are to be construed as limiting the liability of the Contractor, the liability of any Subcontractor or any tier or either of their respective insurance carriers. All the insurance required of the Contractor shall state that the coverage afforded to the additional insureds shall be primary insurance of the additional insureds with respect to claims arising out of operations performed by or on their behalf. If the "additional insureds" have other insurance or self-insured coverage which is applicable to the loss, it shall be on an excess or contingent basis.
6. Contractor shall furnish any affidavit or Certificate in connection with the work covered by this agreement as required by law or as otherwise reasonably required by the Park District.
7. To the extent that the Prevailing Wage Act applies, the Contractor shall comply therewith and pay, and require every Subcontractor to pay, the prevailing rates of wages as established by the Illinois Department of Labor for each craft or type of work needed to execute the contract in accordance with 820 ILCS 130/.01 et seq. Contractor shall prominently post the current schedule of prevailing wages at the Contract site and shall notify immediately in writing all of its Subcontractors, of all changes in the schedule of prevailing wages. Any increases in costs to Contractor due to changes in the prevailing rate of wage during the terms of any contract shall be at the expense of Contractor and not at the expense of the Foss Park District. Change orders shall, however, be computed using the prevailing wage rates applicable at the time the change order work is scheduled to be performed. Contractor shall be solely responsible to maintain accurate records as required by the Prevailing Wage Act and to obtain and furnish all such certified records to Department of Labor as required by Statute or Regulation, including certified payroll. Contractor shall be solely liable for paying the difference between prevailing wages and any wages actually received by laborers, workmen and/or mechanics engaged in the Work and in every way defend and indemnify Foss Park District against any claims arising under or related to the payment of wages in accordance with the Prevailing Wage Act. The Foss Park District agrees to notify the Contractor or Subcontractor of the pendency of any such claim, demand, lien or suit.

The Contractor is advised that the Department revises the prevailing wage rates and the Contractor/subcontractor has an obligation to check the Department's web site for revisions to prevailing wage rates. For information regarding current prevailing wage rates, please refer to the Illinois Department of Labor's website: <http://www.illinois.gov/idol/Laws-Rules/CONMED/Pages/Rates.aspx>.

8. If required by law, the Contractor, before commencing the Work, shall furnish a Performance Bond and a Labor and Material Payment Bond. The Performance Bond shall be in an amount equal to 100% of the full amount of the Contract Sum as security for the faithful performance of the obligation of the Contract Documents and this Agreement, and the Labor and Material Payment Bond shall be in an amount equal to 100% of the full amount of the Contract Sum as security for the payment of all person performing labor and furnishing materials in connection with the Contract Documents. Such bonds shall be on standard AIA Documents, shall be issued by a surety satisfactory to the Park District, and shall name the Park District as a primary co-obligee. The cost of the bonds is to be included in the RFP Proposal. The Performance Bond and Labor and Material Payment Bond will become a part of this Agreement. The failure of the Contractor to enter into a Contract and supply the required Bonds within ten (10) days after the notice of award of contract or within such extended period as the Park District may grant if the forms do not meet its approval shall constitute a default, the Park District may either award the Contract to the next responsible, responsive Contractor or re-advertise for RFPs. A charge against the defaulting Contractor may be made for the difference between the amount of the RFP and the amount for which a contract for the work is subsequently executed, irrespective of whether the amount thus due exceeds the amount of the RFP guarantee.
9. At the time of any request for payment, Contractor shall submit all waivers of lien or partial waivers of lien on standard forms prescribed by Chicago Title or as otherwise required by the Park District.
10. Contractor agrees to maintain all records and documents for the projects referenced in the Contract Documents in compliance with the Freedom of Information Act, 5 ILCS 140/1, et seq. In addition, Contractor shall produce, without cost to the Park District, records which are responsive to a request received by the Park District under the Freedom of Information Act so that the Park District may provide records to those requesting them within the time frames required. If additional time is necessary to compile records in response to a request, then Contractor shall so notify the Park District and if possible, the Park District shall request an extension so as to comply with the Act. In the event that the Park District is found to have not complied with the Freedom of Information Act based upon Contractor's failure to produce documents or otherwise appropriately respond to a request under the Act, then Contractor shall indemnify and hold the Park District harmless, and pay all amounts determined to be due including but not limited to fines, costs, attorneys' fees and penalties.
11. All recitals to this Agreement are incorporated by this reference. In the event of a conflict between the terms of this Agreement and the Contract Documents, the terms of this Agreement shall govern unless the Contract Documents require higher amounts of insurance coverage than is required herein.

IT IS MUTUALLY UNDERSTOOD AND AGREED that the Contractor shall have the full control of the ways and means of performing the work referred to above and that the Contractor or its employees, representatives or subcontractors are in no sense employees of the Park District, it being specifically agreed that the Contractor bears the relationship of an Independent Contractor to the Park District.

This Agreement shall be in full force and effect from the _____ day of _____, 20____ until such time as it is terminated by the Park District.

IN WITNESS WHEREOF, THE PARTIES have executed this Agreement this _____ day of _____, 20____.
